FUNCION PRINCIPAL

Brindar herramientas para poder entrenar a tu mascota en diferentes tareas, acciones y comportamientos.

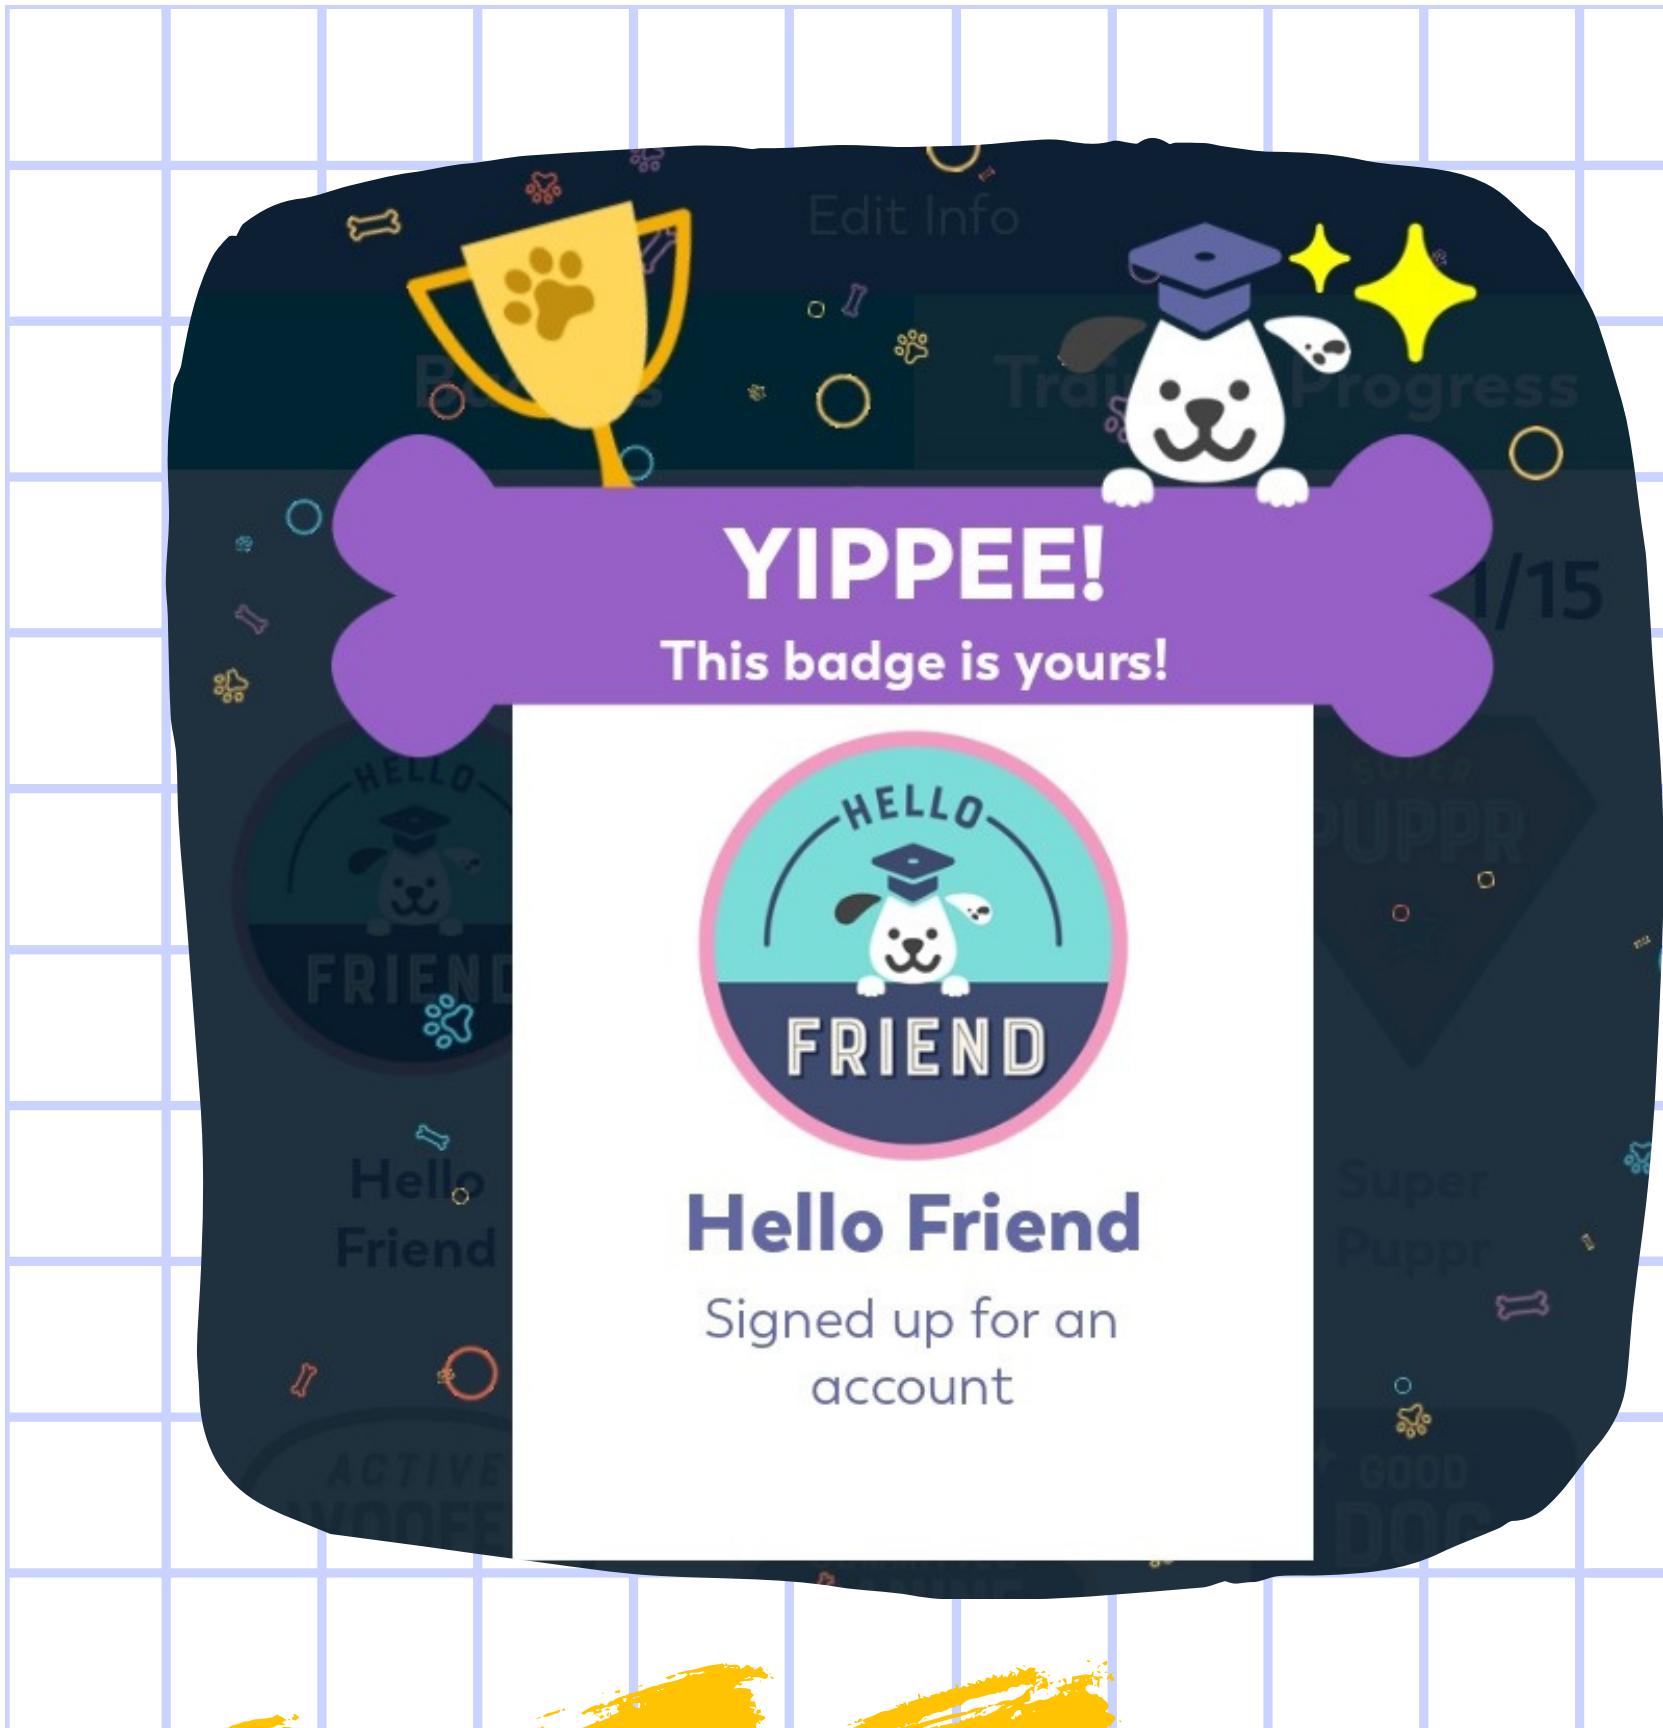

Steps

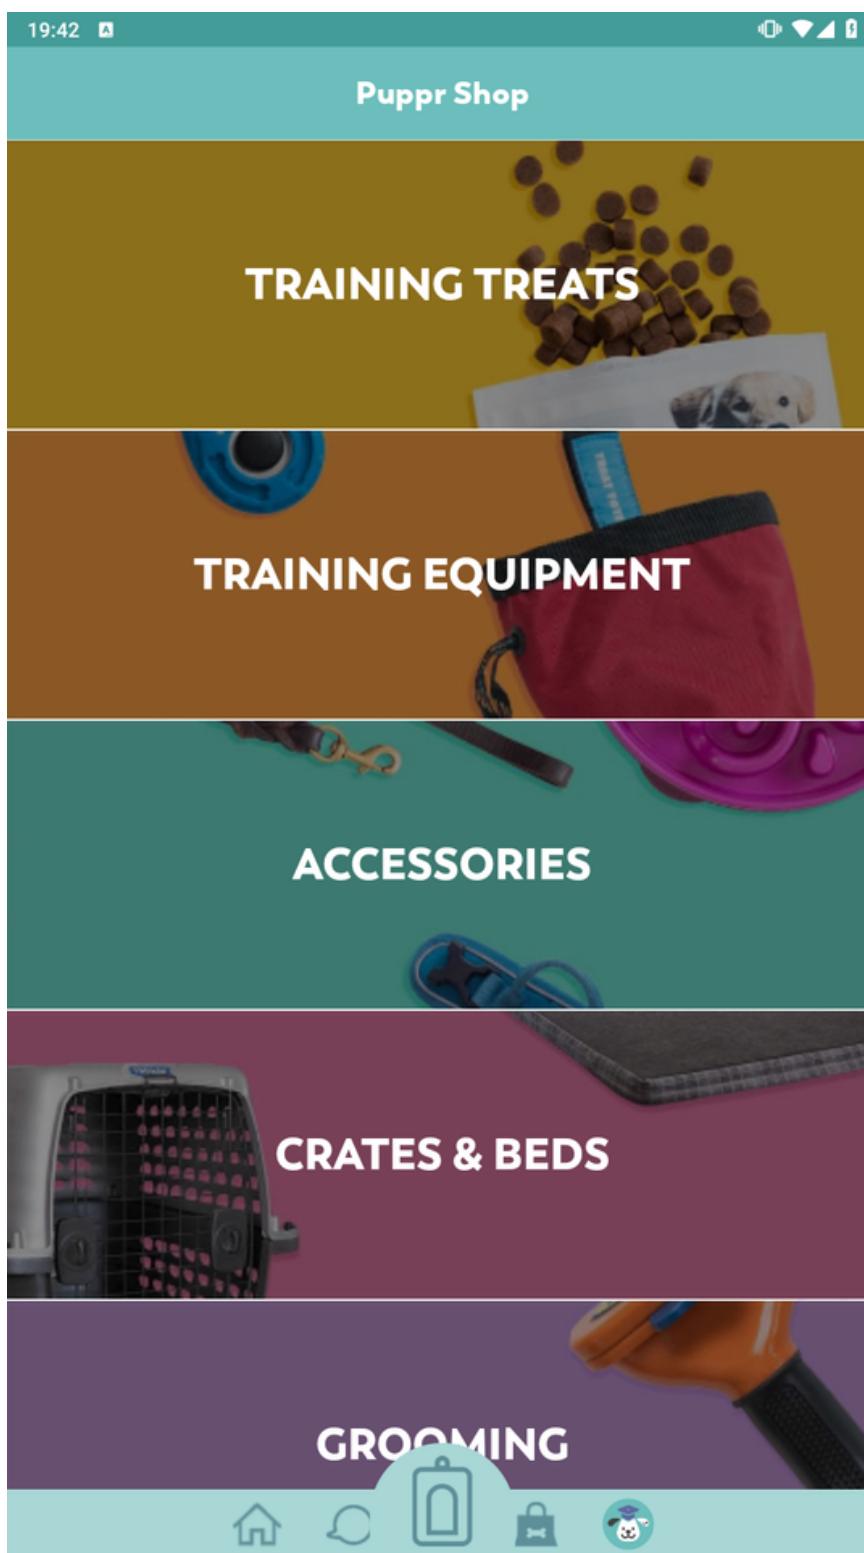

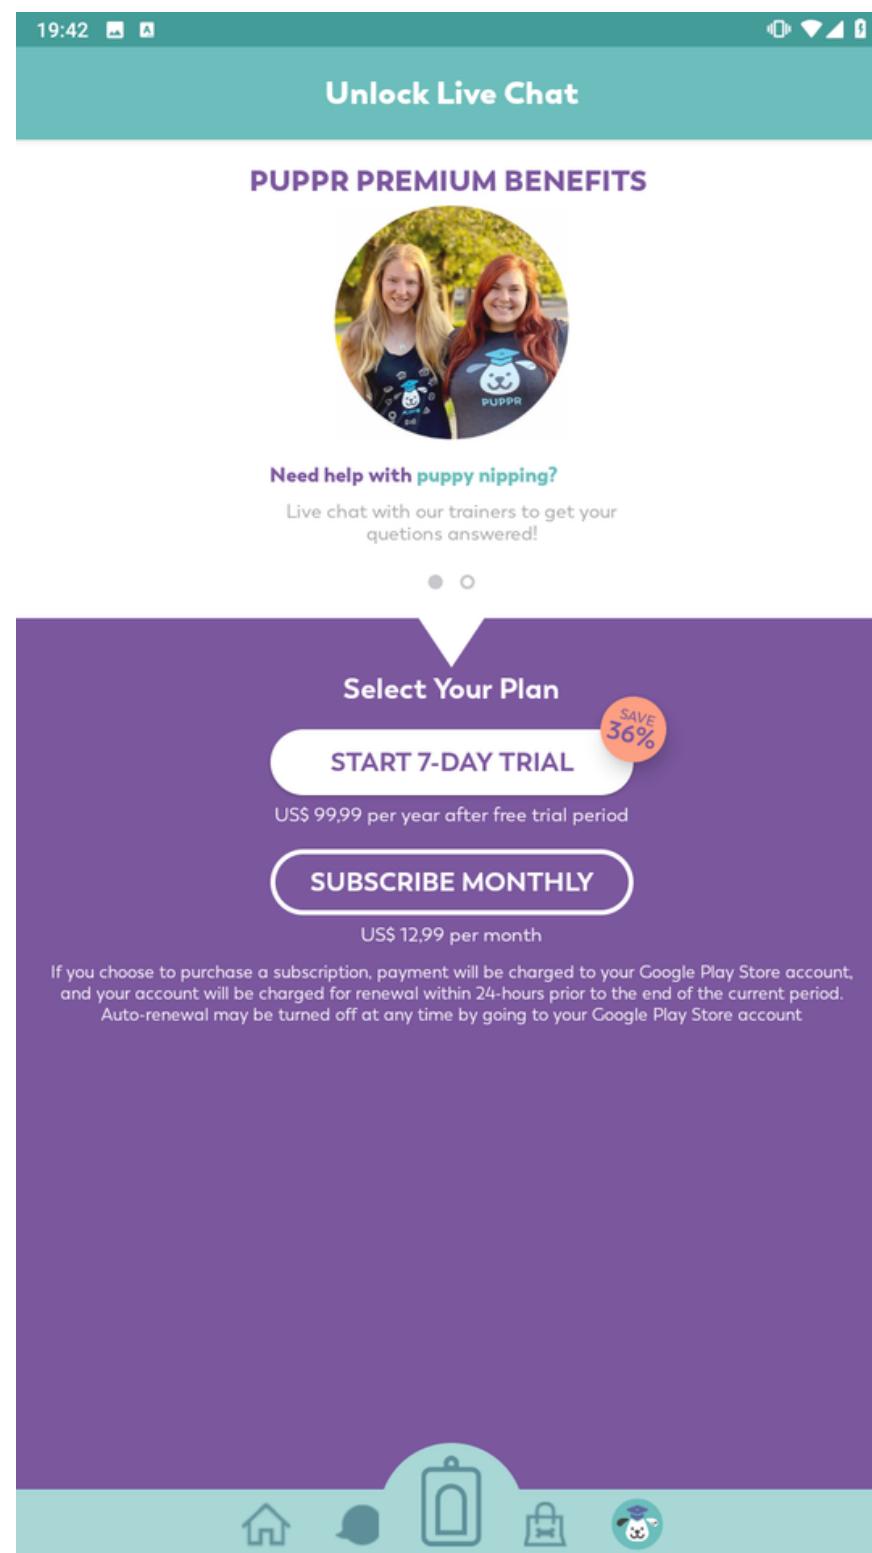

- 1 Sit on the floor with Chueco and have a suitcase open in front of you.
- 2 Place treats in the open suitcase and have Chueco go and get them. Click and reward when Chueco goes inside.

FUNCIONES SECUNDARIAS

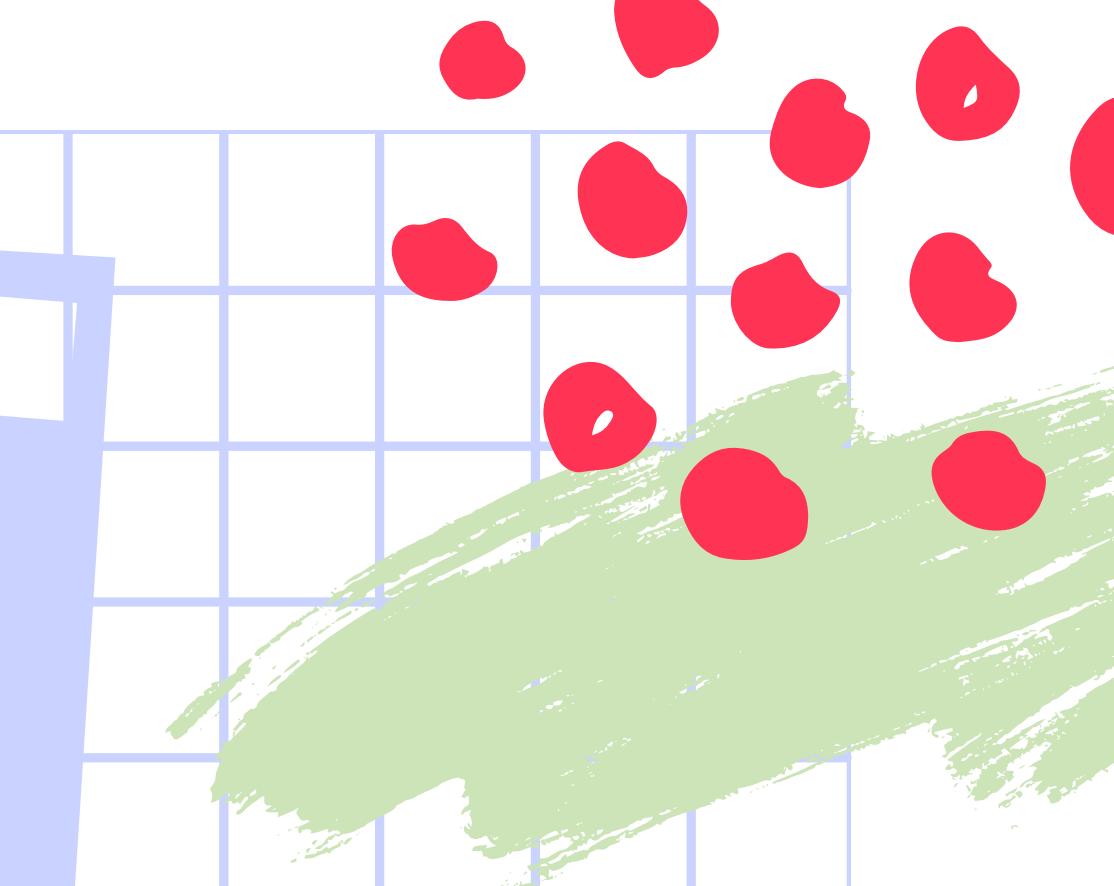

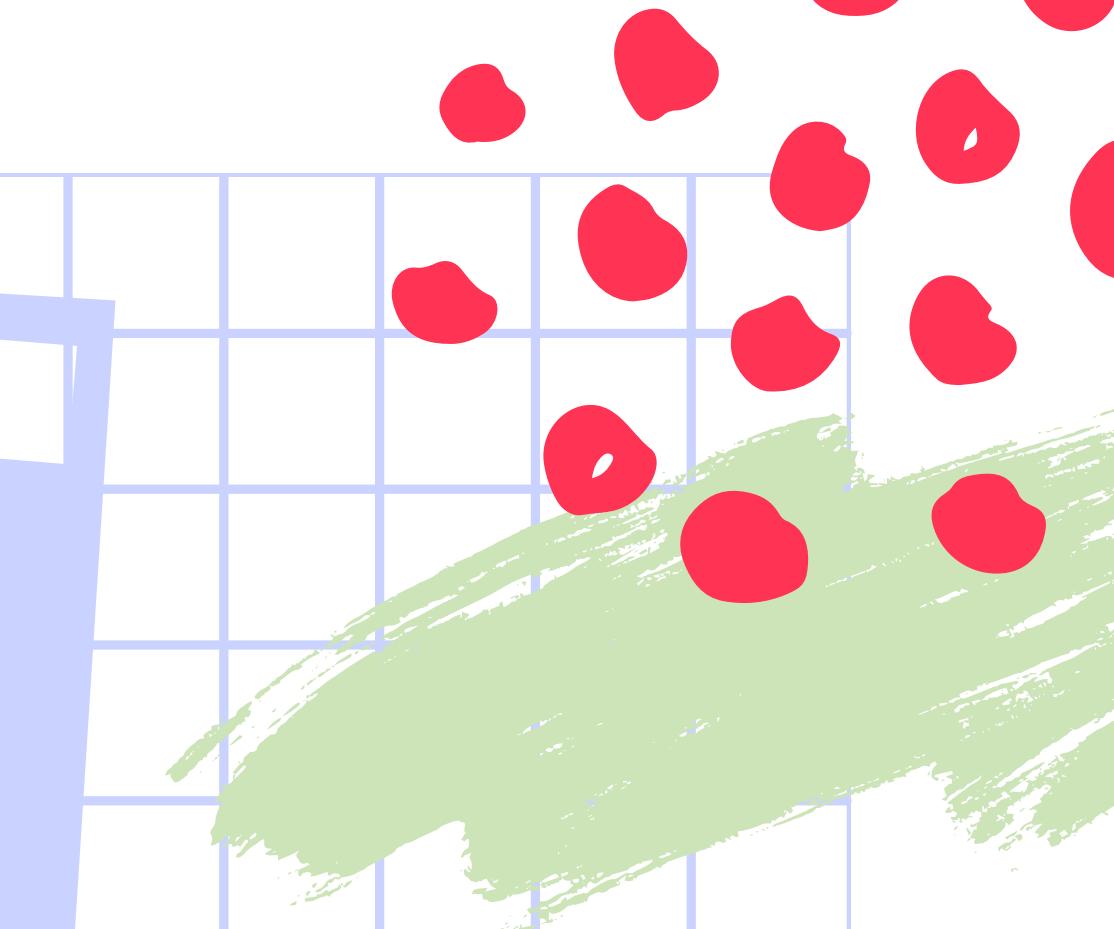

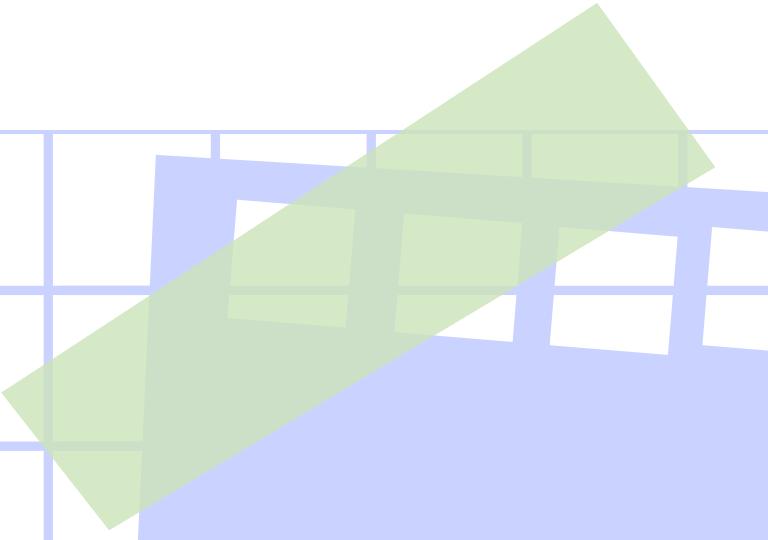

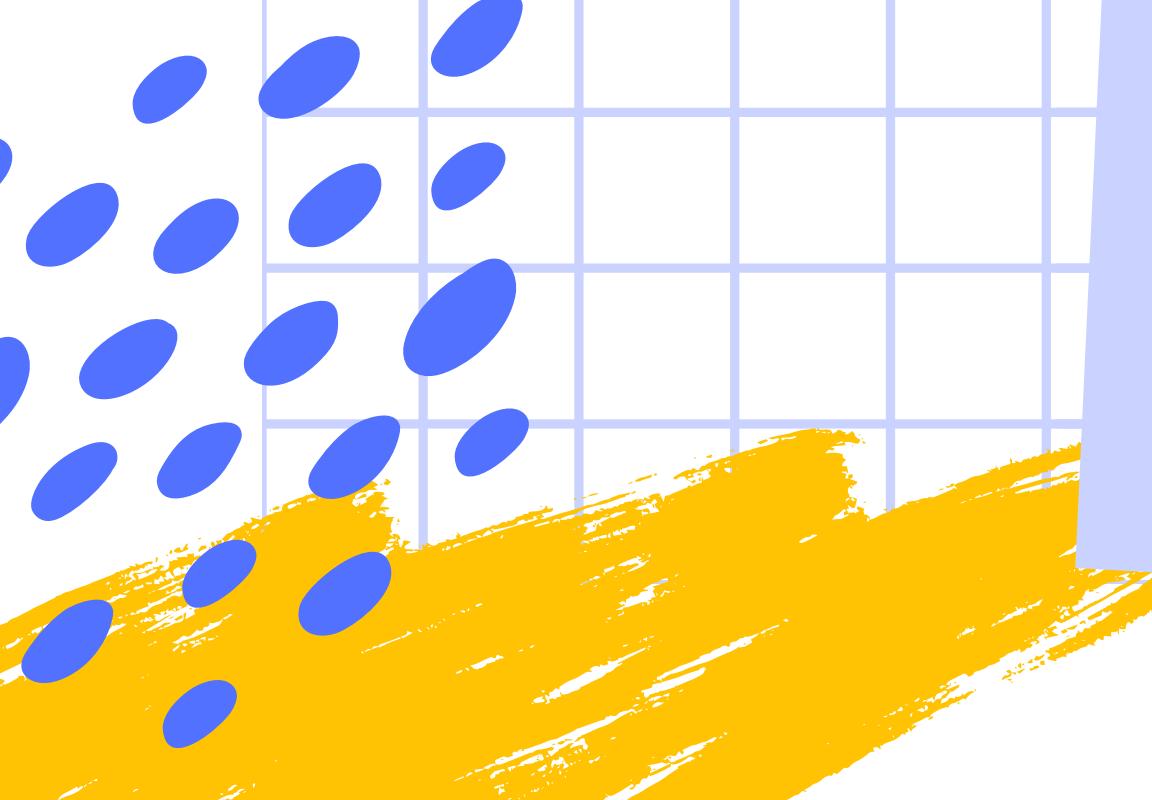

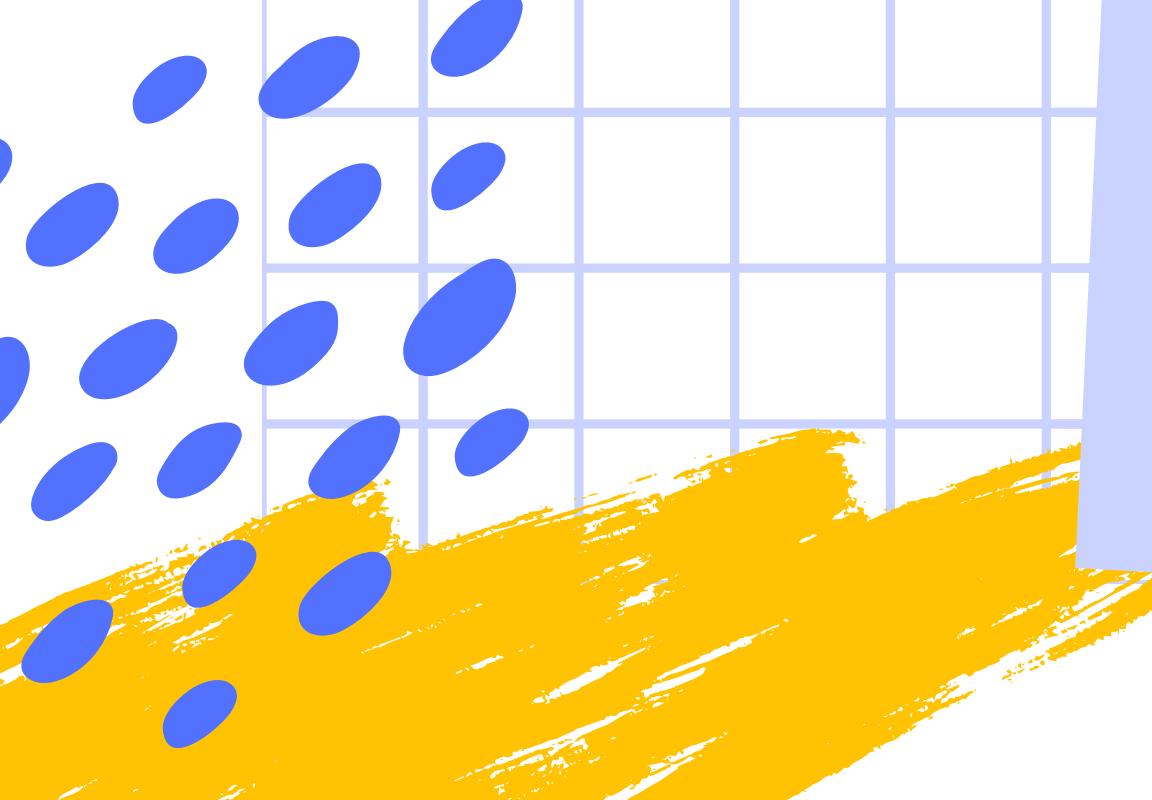

Seguimiento del progreso que permite a los usuarios ver cómo ha mejorado con el tiempo Puppr ofrece una comunidad en línea donde los usuarios pueden conectarse con otros propietarios y compartir consejos y trucos.

02

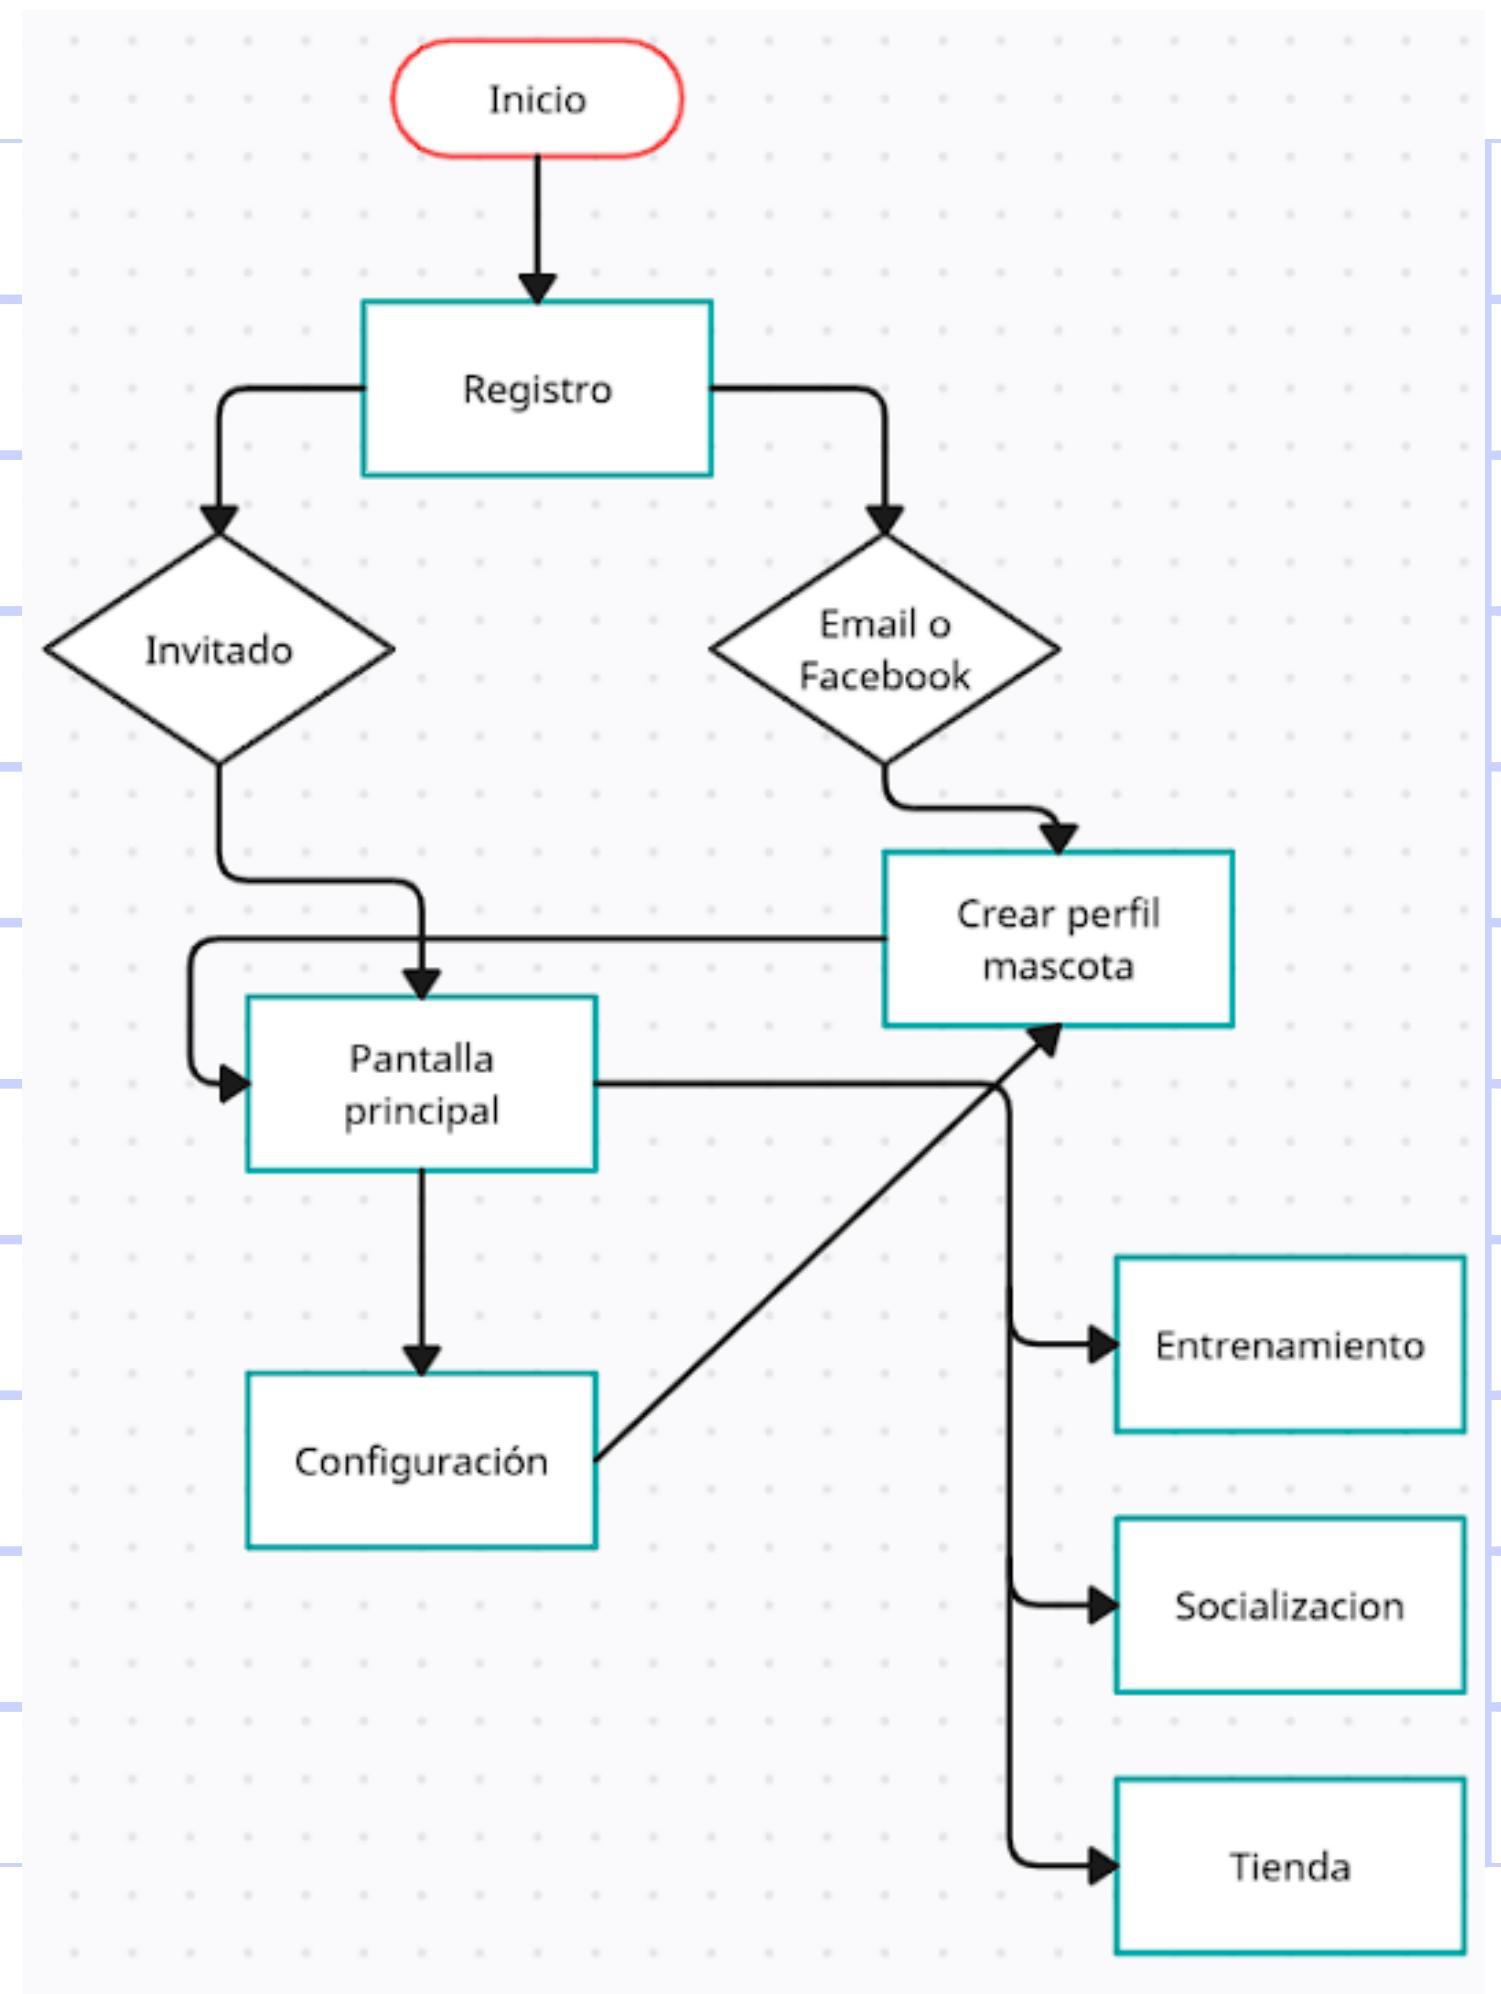

ÉPICA

ÉPICA

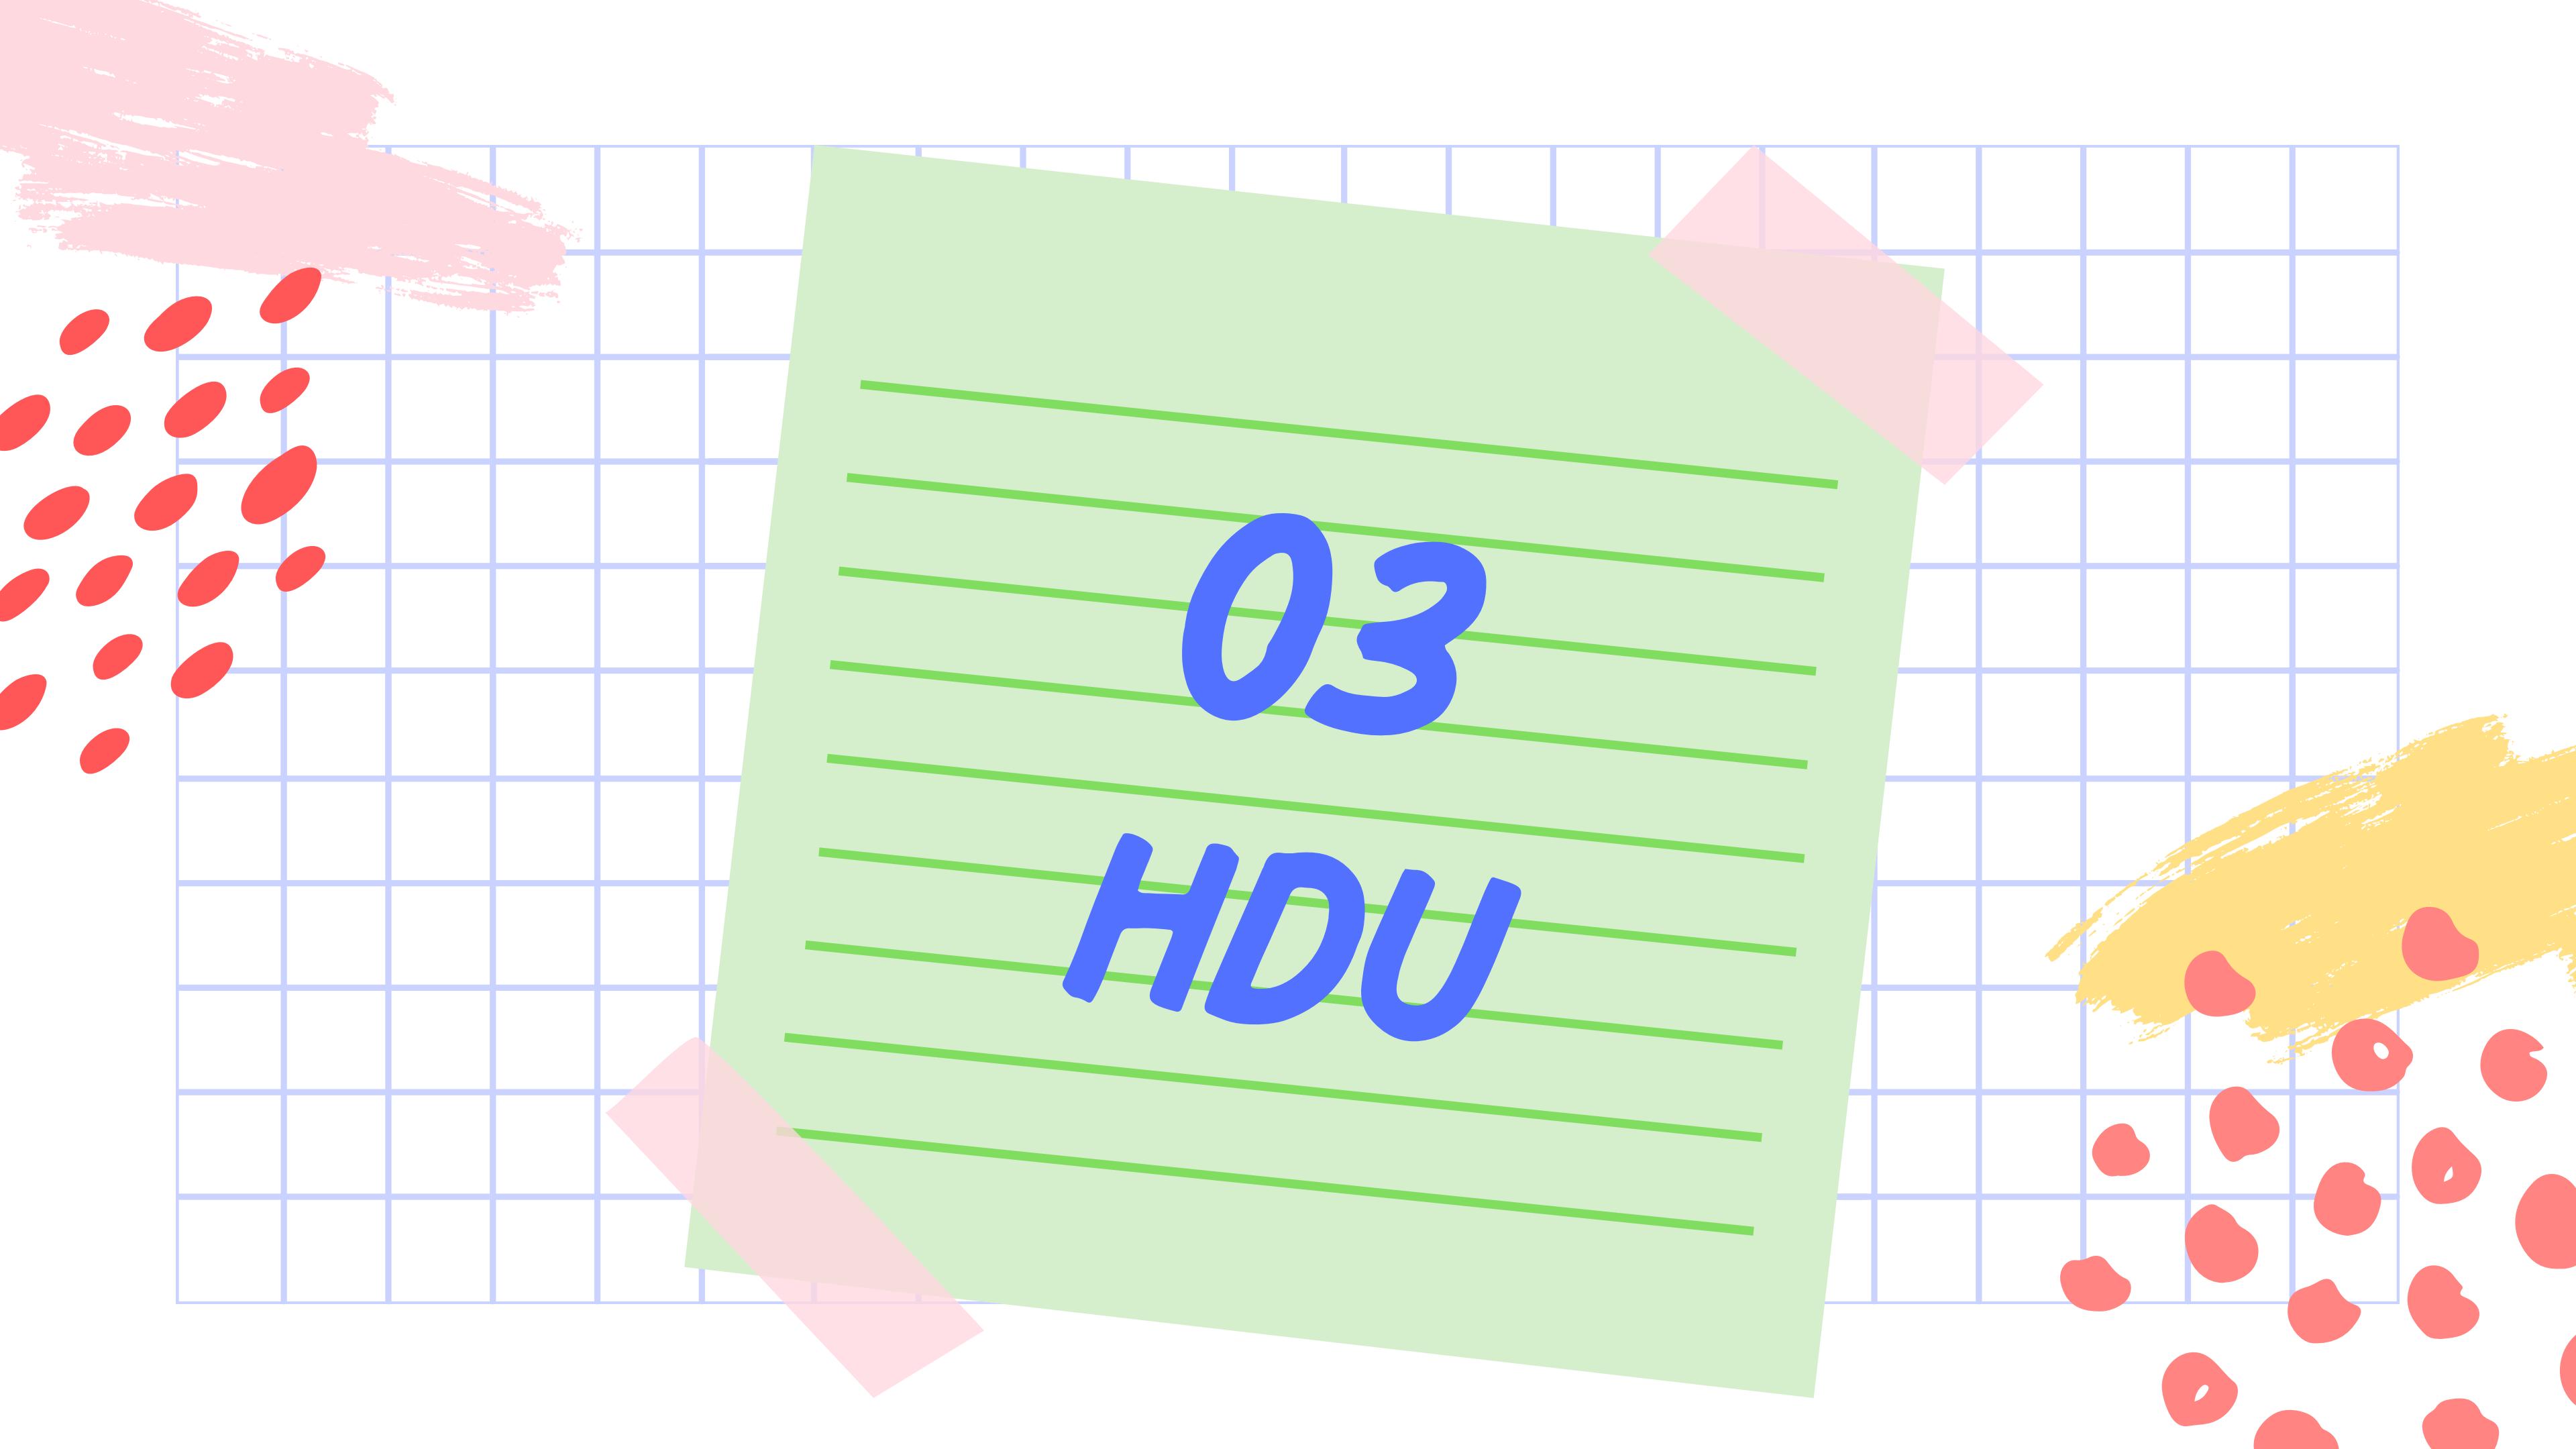

Puppr es una aplicación gratuita para Android que ayuda a los dueños de mascotas a entrenar a sus perros mediante lecciones en video, juegos interactivos y retroalimentación personalizada de entrenadores caninos profesionales. La app cubre diferentes aspectos del entrenamiento canino y permite a los usuarios realizar un seguimiento del progreso de sus perros.

03

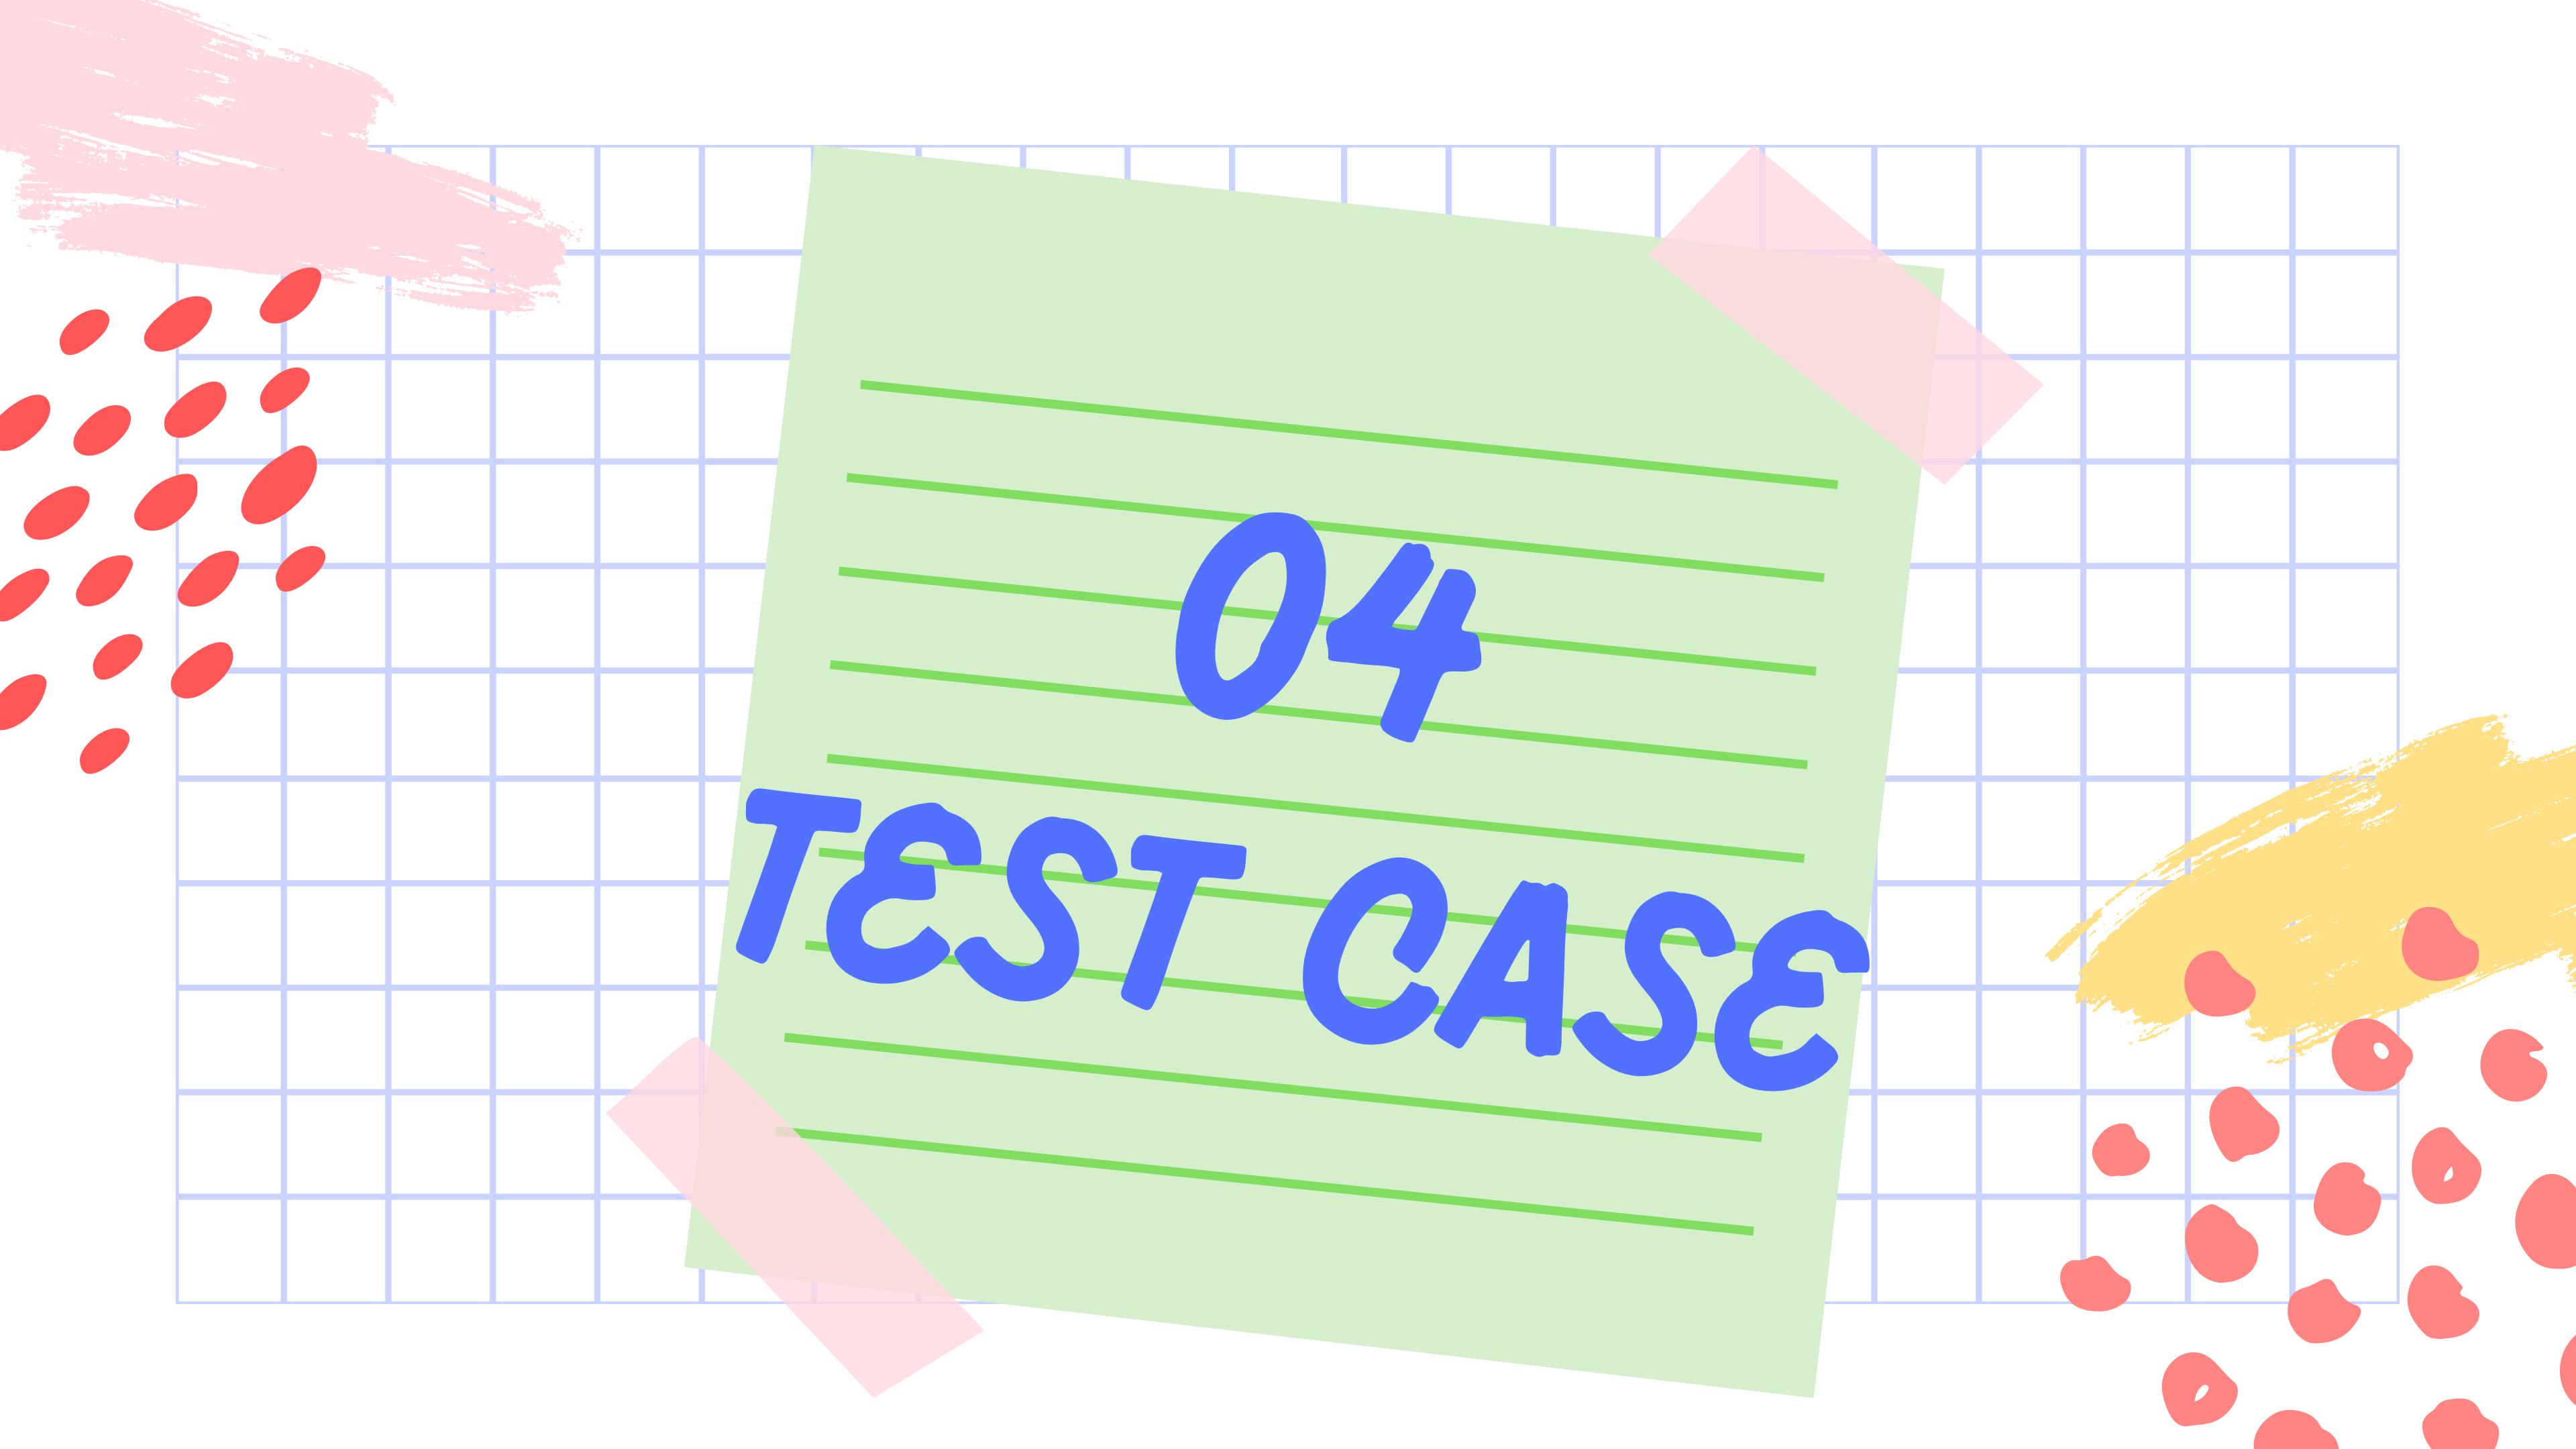

HDU

HDU

A partir de la épica se crearon
4 Historias de usuario, de las cuales:
-2 son de prioridad Alta
-1 es de prioridad Media
-1 es de prioridad Baja

04

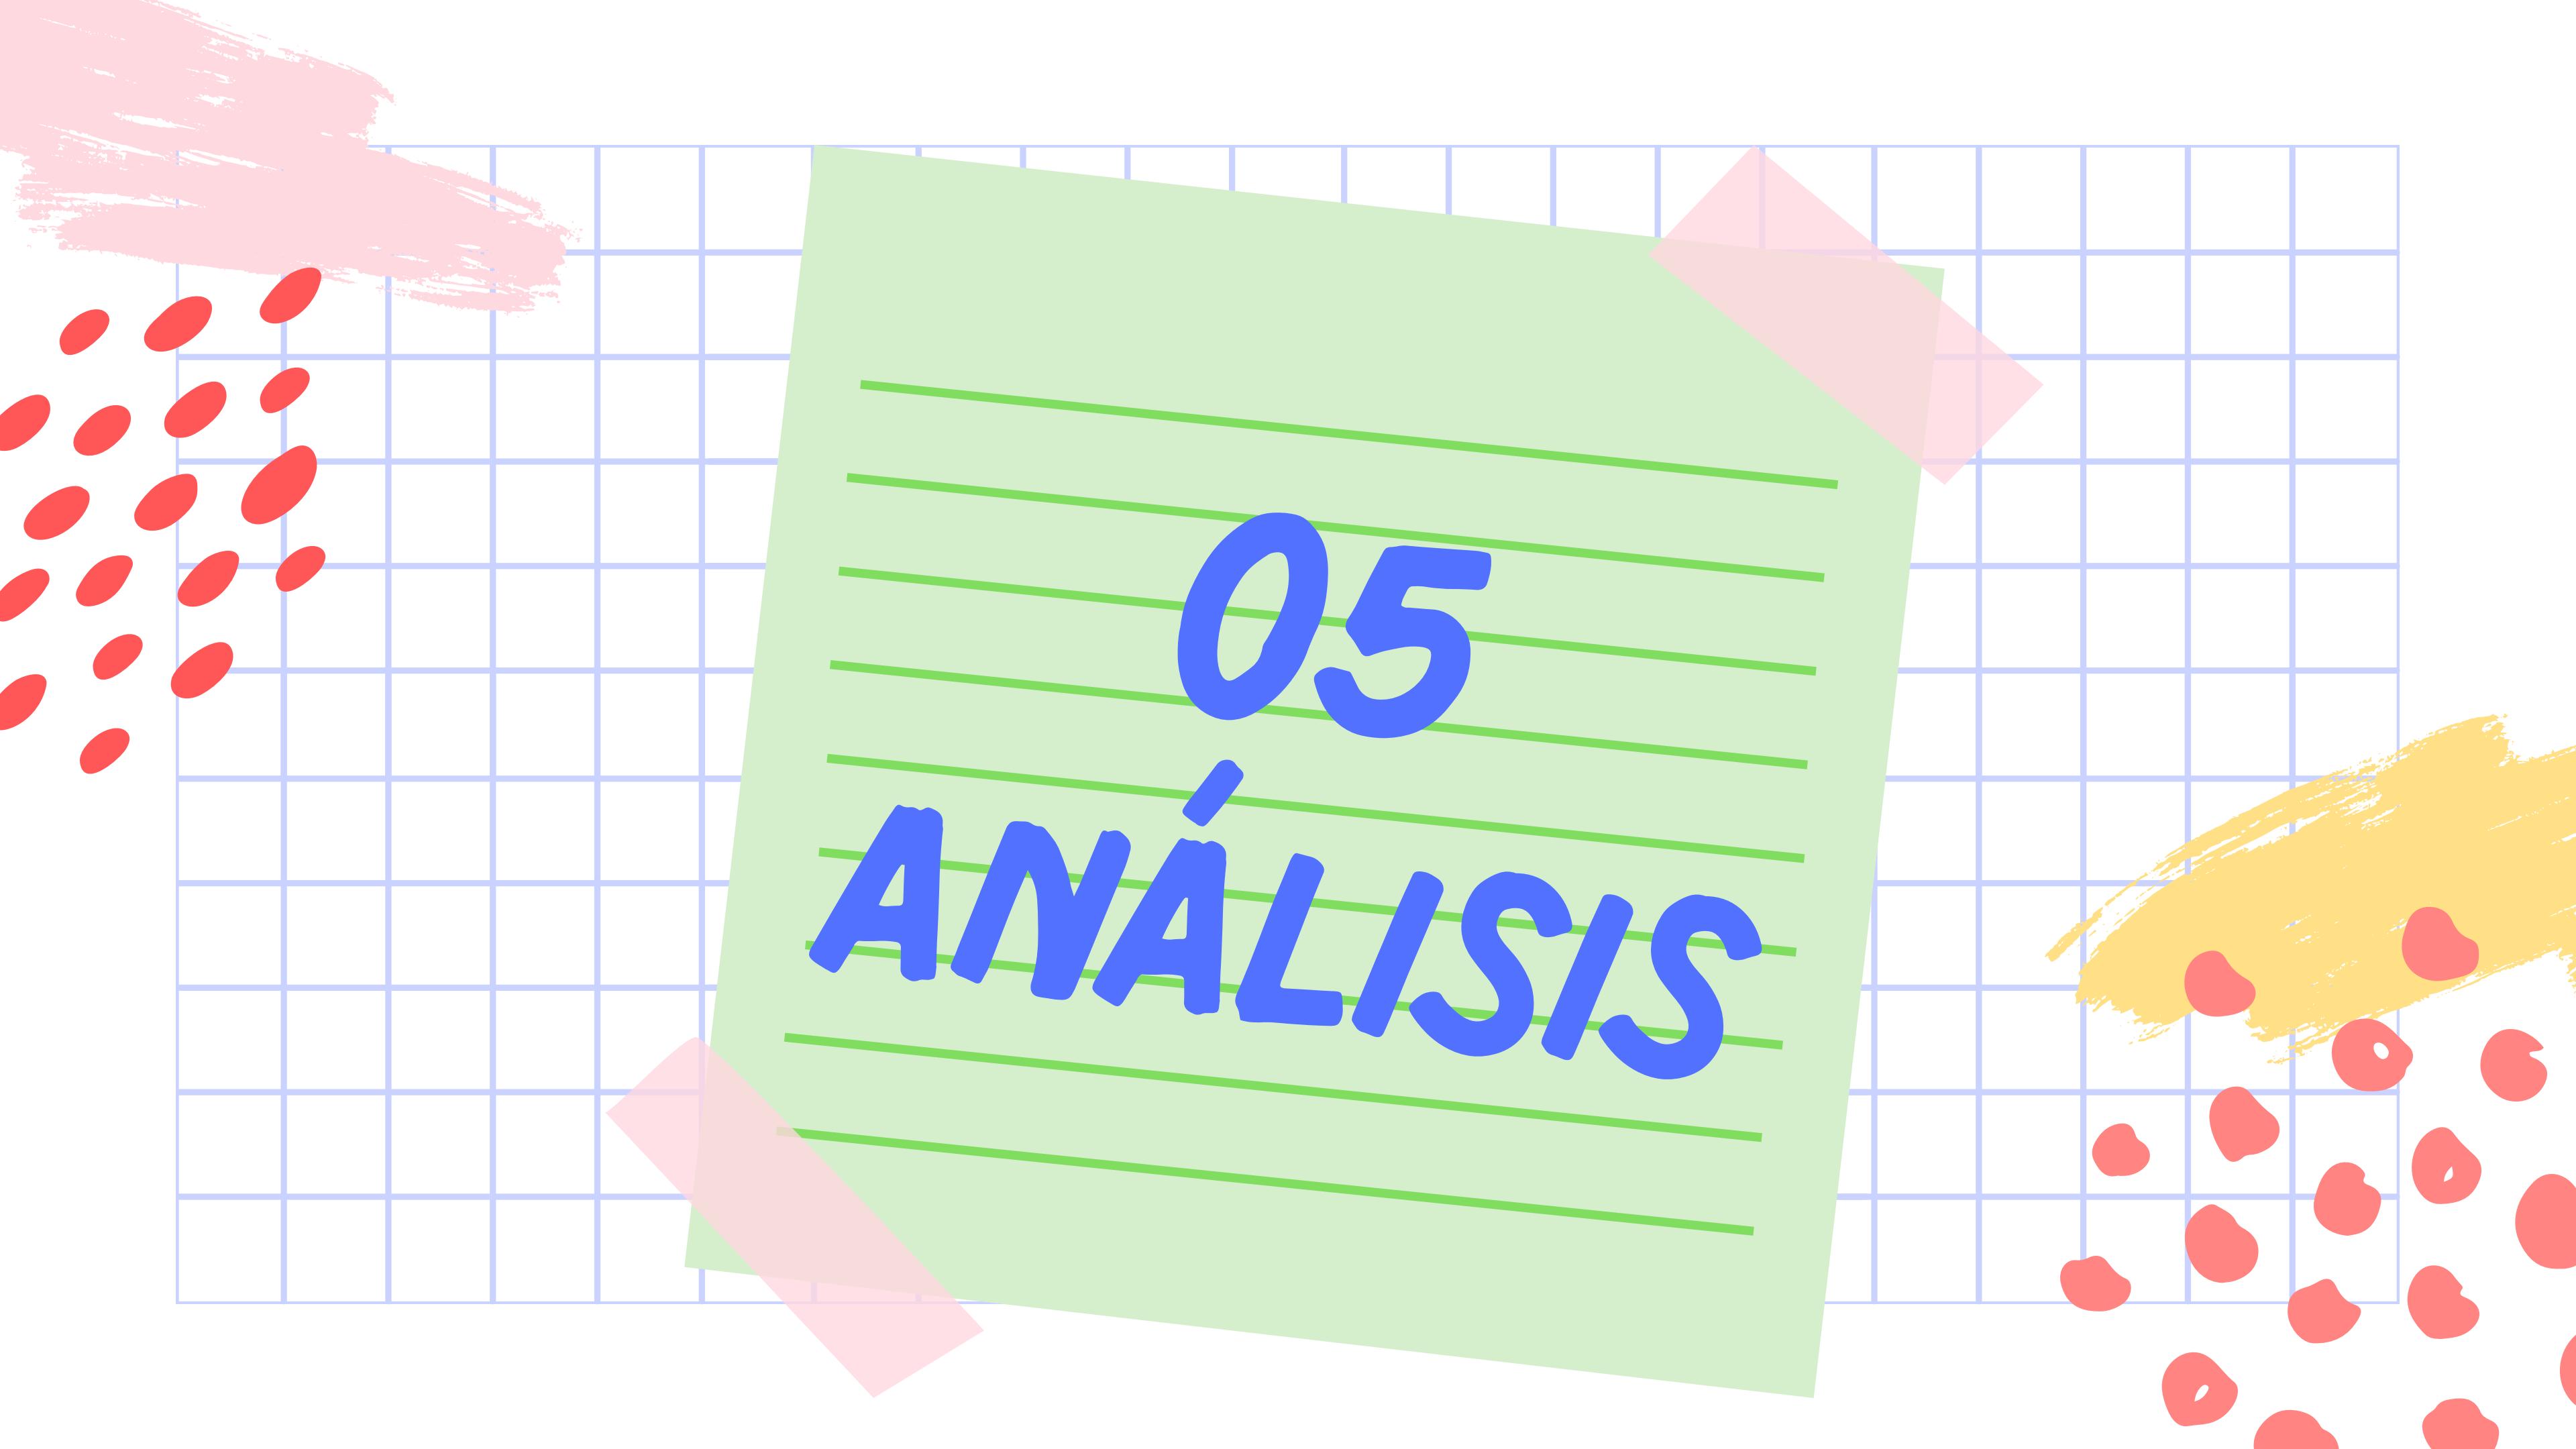

TEST CASE

3 TEST CASES

Se diseñaron 10 casos de prueba de los cuales 9 de ellos resultaron exitosos y solamente 1 falló.

El caso correspondiente al bug está relacionado a una HU de prioridad baja.
